## Low Cost Online Marketing

Friday 8<sup>th</sup> June, 10am -12 noon

What is the most common query we hear from start-up and even established small business owners that don't have much cashflow – how can I market my business for very little or no cost? If you're short on marketing ideas, this is the place for you!

In this session you will be given a sheet containing 100 plus marketing ideas, and we will talk through some of these – the one's that generically apply to most small businesses, and some examples specific to the businesses in the room. Walk away with practical ideas to implement for your business for little more cost than that of the workshop!

Venue;

Oran Park Smart Work Hub,  
Level 2, 351 Oran Park Drive,
